

LOCATION

© The University of Queensland.

The University of Queensland St Lucia Campus is located on the banks of the Brisbane River, 7 km southwest of the Brisbane CBD.

You can find a campus map on the UQ website (<https://maps.uq.edu.au/st-lucia>) or we encourage you to download the UQ map app, [UQnav](#) for an interactive campus map (Android & iOS).

The campus is like a mini city. There are cafes, pizza, subway, GYG, cinema, hairdresser, dentist, chemist and more. To explore where to eat on campus see the UQ website (<http://www.uq.edu.au/about/places-to-eat>).

UQ is a smoke-free campus. The nearest suitable place to smoke is near the Chancellors Place roundabout.

PARKING AT UQ

Limited parking is available on campus. Parking fees at UQ and other places around Brisbane City are managed through the CelloPark app (Android and iOS) or via the [website](#). You will need to register an account before you can proceed. There are still a few parking pay stations on campus to pay by credit card or coins if you do not have access to the app. For more information about parking at the UQ St Lucia campus please download the [UQnav](#) app (Android and iOS).
